PROPERTY DESCRIPTION

Follow the red brick road (or walkway!) to this 4 bed, 3 bath home of your dreams! Upon entering you will be greeted by a ceramic tile entry, freshly painted living room complete with a wood laminate flooring and a bay window overlooking the quiet street. Enter the kitchen and you will discover the ceramic tile flooring, ample counter space, new tile backsplash, and countertop and new appliances.

The master bedroom has wonderful natural lighting and is complete with a custom walk-in closet featuring a dressing mirror and ample shelving space. The master suite also includes a 3/4 bath.

Sit by the fire in the family off the kitchen, or invite friends over for a movie in the basement, complete with surround sound and Bose speakers. Laundry in this house will be a breeze with an industrial sink and plenty of storage space with a wall of shelving.

And step out onto the oversized deck or set up your own relaxing outdoor living space on the oversized patio to take in the peaceful surroundings while enjoying the spacious backyard perfect for relaxing in the sun!

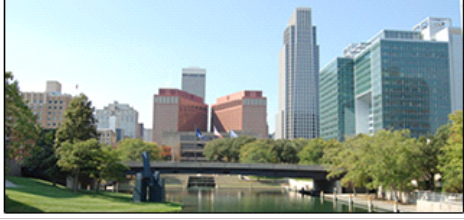

This home is complete with a newly built shed that includes electric service for ease of all those outdoor projects.

This home is a must see today! Don't miss this perfectly updated home in the Bellevue area.
